Chapter 7: Formulas That Tonify 补益剂	
● Yin/Yang Relationship: mutual support, transformation, dependence, & consume each other Qi is Commander of Blood [Produces, Moves & Controls Blood] Blood is the Mother of Qi [Carries, Nourishes & Supports Qi]	● Too deficient to be tonified [虚不受补] the rich, cloying nature of tonifying herbs places a burden on the digestive system. It is usually necessary to add ingredients that promote digestion and assimilation. E.g. chen pi, sha ren. ♦ Start with mild tonics, then gradually get stronger
